## Final Note by the Minister for Public Works

*Subject.*—
Mechanical Lighters (Excise Duty)(Amendment) Bill.

The pooling arrangements in regard to the Excise Duty on matches between British India and Mysore apply to mechanical lighters also, and in order to make statutory provision in the State for the levy of excise duty on mechanical lighters, the Mechanical Lighters (Excise Duty) Act, 1943, was promulgated here with the gracious approval of His Highness in January 1943 on the lines of the corresponding British Indian Act. According to Section 3 of this Act, an Excise Duty of one rupee and eight annas is leviable on every mechanical lighter manufactured in any manufactory in Mysore and issued out of such manufactory after the commencement of the Act.

2. The Government of India have since intimated that the present rate of duty in British India is Rs.3/- per lighter and asked that our Act also may be amended accordingly.

3. As uniformity is necessary in regard to the rate of levy also, it is proposed to amend our Act so as to provide for the levy of duty at the rate of Rs.3/- per lighter instead of at Rs.1-8-0 as at present. A bill prepared accordingly is submitted herewith. As there is not sufficient time to place the Bill before the ensuing (June) Session of the Representative Assembly, observing all the necessary formalities in this connection, it is proposed to issue it as an emergency measure and place the same before the Dasara Session of the Representative Assembly.

4. The Dewan and other Ministers have agreed to the proposal and I solicit the gracious approval of His Highness to promulgate the Bill into law as an Emergency Act and to place the same before the Dasara Session of the Representative Assembly.

Bangalore,
27th May 1943.

MINISTER FOR PUBLIC WORKS.

SUBJECT:- The Mechanical Lighters (Excise Duty) (Amendment) (Emergency Continuance) Act, 1943.

---

97 With the gracious approval of His Highness, the Mechanical Lighters (Excise Duty) (Amendment) (Emergency) Act, 1943, was promulgated with effect from the seventeenth day of June 1943. A bill embodying the provisions of the Act was placed before the June Session of the Representative Assembly on the fourth day of October 1943 and was passed.

98 The Emergency Act will expire by the end of November 1943. The winter session of the Legislative Council commences from the 10th December 1943 and therefore it is not possible earlier than the end of December 1943 to pass into law the Bill which is intended to be placed before the Legislative Council and which will replace the Emergency Act.

99 In order to make the Emergency Act operative until the Bill is passed into law, it is proposed to extend the Emergency Act for a further period of six months under Clause (a) of Sub-Section (2) of Section 31 of the Government of Mysore Act, 1940. The Bill prepared accordingly is submitted for the gracious approval of His Highness.

Subject:- Mechanical lighters - manufacture in Mysore State.

---

SIR,

I am directed to refer to the correspondence ending with your letter No.Pol.1873/RA & LC dated the 18th March 1943, and to say that the Government of India observe that although the Mysore Mechanical Lighters (Excise Duty) Act 1943 has been modelled exactly on the lines of the 1943 Act in force in British India, the duty levied is Rs.1/8 per lighter, whereas the present rate of duty in British India is Rs.3/- per lighter. The Government of India ask that, if the Mysore Government see no objection, their Act may kindly be amended accordingly.

I have the honour to be,
Sir,
Your obedient servant,

Secretary to the Resident in Mysore.

The Mechanical Lighters (Excise Duty) (Amendment) Bill.

Statement of principles.

The pooling arrangements in regard to the excise duty on matches between British India and Mysore apply to mechanical lighters also. In order to make statutory provision in the State for the levy of excise duty on mechanical lighters, the Mechanical Lighters (Excise Duty) Act, 1943 was passed in January 1943 on the lines of the corresponding British Indian Act.

In British India the levy is at the rate of Rs.3/- per lighter. As uniformity is necessary in the rate of levy also, the present Bill has been brought forward.
